

## **WEEE Collection and Recycling Arrangements in Bulgaria**

Nutanix products are sold in Bulgaria by dealers and distributors. The dealers and distributors act as the importer of the equipment into Bulgaria. Thus the dealers and distributors have the legal responsibility to:

- Register as the WEEE producer in Bulgaria.
- Provide arrangements for collection and recycling of WEEE arising from Nutanix products that the dealer and distributor sells in Bulgaria.

Please reach out to your local dealer and distributor for WEEE collection and recycling. Should you need additional assistance from Nutanix, please create a support case at <https://portal.nutanix.com> and select WEEE as the issue type.
