

Resident Services

Resident Xpert

OVERVIEW

Nutanix Customer Success provides trusted resources who possess a wide range of industry experience across Nutanix, other infrastructure solutions and daily operations. Nutanix residencies are designed to provide dedicated resources who implement best practices and share expert advice on the Nutanix platform. Resident Xperts work on site with the customer, providing expertise for the Nutanix environment and fulfilling the need for specialized skillsets such as:

- Hyper-Converged Infrastructure (HCI) lifecycle (Nutanix certified)
- Virtualized infrastructure management (VMware, Citrix, Microsoft)
- Virtualized Desktop Infrastructure (VDI) administration
- Data center migration planning and execution
- Enterprise and hybrid cloud orchestration and automation

SERVICE SCOPE

Nutanix Resident Xperts are selected based on your organization's requirements and have full access to Nutanix resources. They can be requested for specific operational requirements such as security clearances or industry certifications. Resident Xperts can be engaged full-time, serving your needs 5 days a week, or, if business needs are not as demanding, a half-time residency is also available.
